NO SUICIDES AMONG NEGROES.

It is interesting to note that when confined on board a slave the negroes sought relief in suicide, against which the crew were most vigilant; yet when landed, fed and established in cabins, they abandoned all idea of self-destruction. Their native cheerfulness asserted itself and they soon sang at their toil...

FISH FLOUR IN NORWAY.

The fisheries represent one of Norway's chief industries, and quantities of fish are sold at very low rates, particularly during summer. One way in which these are utilized is by means of an invention which quickly dries and pulverizes the fish of fresh fish. The resulting product, called fish flour, is easy to transport from one place to another and has great nutritive value...
