PRINTED AND PUBLICATED DALLY BY . JEROME BAYON.

OFFICIAL GAZZITE OF THE STATE AND CITY "THE UNION must be preserved,"

THURSDAY MORNING, AUGUST13, 1885. The court martial to have been held ye-terday as anannell, was rendered usplace by Colonel Smith's obtaining satisfactory explanations from the officers implicated. He therefore withdrew his charges.

· We had expected to have given today the eloquent addition

nances on each and every subject augusted as of public

ficulty of immediately or directly obtaining the ends rought, he suggested that we should recommend a count lete creation of courts in conformity to the constitution, with powers similar to those existing : but so organized as that the new courts should require judges specially appointed. This would annihilate the present courts; and of course superseds their judges-without the formality of removing then from office, except by abolishing their courts.

It would also give an opportunity for increasing daries of the judges-more minutely specifying their dutiesand properly distributing them through the state. All this ebuils easily be effected without the aid of a convention; and we trust that thore who possess influence, and have the citizen of the United States of America from this city welfare of their fellow citizens at heart, will seriously and country and oblige him to eintark from the port of

We may hereafter dwell at large on the necessity and advanisges of a complete reorganization of our respective America at a France do hereby certify that according to record; and demonstrate clearly that the subject is one of our subrassed judgment the damages and losses ustained by Mr Santangelo cannot be estimated at a test aideration, with the state legislature.

We published a tumor yesterday concerning Santangelo which he informs us was incorrect. He published a periodi. cal in Mexico; but it was philosophical not political, and made no allus ons to the government, nor was any person connected with him as editor. He was ordered to leave ly, in the year one thousand eight hundred and thirty five Mexico in 3 days; but was allowed 15. The ednor exited to California had no concern in common with our friend.

The session of the Mexican Congress commenced the 1st The session of the Mexican Congress commenced the 1st protest with the name of only one American, besides my of this month. It is expected that one of its tirst acts will own affixed to the certificate annexed to it. i e to declare itself a constituent not a convocant assembly, in pursuance of the plan of a central consolidated govern, ment; and that Sama Anna will be declared president for the of the plan of a central consolidated govern, ment; and that Sama Anna will be declared president for the of the contract of the plan of the plan of the plan of the plan of a central consolidated govern, ment; and that Sama will be declared president for the plan of the plan of a central consolidated govern, ment; and the plan of a central consolidated govern, were freely expressed their opinions of the injustice of your banking that the amount of indicting the plan of a central consolidated govern, ment; and that Sama and others, and others, and other opinions of the injustice of your banking that the amount of indicting the plan of a central consolidated govern, ment; and that Sama and others, and other opinions of the injustice of your banking that the amount of indicting the plan of a central consolidated govern, ment; and that Sama and others, and other opinions of the injustice of your banking that the amount of indicting the plan of indic

was or documents published at home. It would then appear to the Mexicage that it was the belief of foreign nations that le policy and prudence as of necessity. He would foment disturbances at home, to wanke the extraneous or external advice of more effect :- for (added he) 'I wish to appear as a

a red of iron—that a law of its Congress has been made in thus: open and direct violation of an article of the treaty with this country—and that our fellow enterns there are left without and engage to give their special protection to the per one services in consequence of the departure of the American and property of the citizens of each other, of all occupants.

Santange'o had also lost his only son Francis de Attellis Santange of and not having been able to ask justice from the Santange of and not having been able to ask justice from the Santange of the country laving been sented that enoch in perpetual convolving and civil wars, howe obliged to establish a 'Literary Institute' for mural and accentific education of youth of both access, for which he had previously obtained a written authorization from the copyonation of the civil called Avantancestic, and the govern repreviously obtained a vittlen authorization from the corpo-ration of the city called Ayuntamients, and the govern r of the district, General Ignacio Mattinez; and the said establishment was flourishing so as to produce with the strongest evidence of its becoming daily more and more profitable.

profitable.
That he, the said O. de A. Santangelo had commenced on the 1-tof May last, the publication of a semi-weekly political to innereral, political and iterary newspaper, under the title of The Atlantic Courier. So which the general government itself was a subscriber for twelve copier, and for the establishment and first publication of which, up to be 16th number, he has spent a sum of not less than 1700 dollars, without his having had necessary time to require the proper without his having had necessary time to recover the money already due to him from numerous subscribers in many dis-

without his having had necessary time to recover the money aiready due to he in from numerous mescreeces in many distant states of the Mexican monos.

That whilst the sbove husiness was pearfully, honorably and profitably going on, waiting for a better opportunity of presenting his afterestal claims to the Mexican congress, he the san O. 4g. A. Santangelo he is uddenly received on the 25th of the last month of June, from the governur of the distrect, General Ramon Reyon, a passport signed by the provisional minister of foreign affaires Joseph Maria Orrist Monasterio, constauning an order to leave this city in the space of three date, to go to Vera Cruz and to embark for foreign parts, being moreover threatened websily by said governor that in case of noncompliance, forces would be used.

That this order having been issued without any judiciary form of knowledge of any of the diplomate or commercial agents of the U. S. of America, or any known motive at all but for the understance having perhaps that leased the present absolute ruler of the Mexic in destines, by having defended on the suble writers amongst the nature, aumer can solomists of Texas against the most infamous to among the most effection of the suble writers amongst the nature, aumer of the suble writers amongst the nature, and the sublemant of these metarious to deport and threat them into the hands of children, having proposed to deport and threat them into the hands of children, as "sometime proposed to the suble press, and the propose as it will musher presented in the Congress, patience, public press, and the propose as it will be used.

The S to take the most efficacious and speedy measures to report the proposed and the suble of the subl

O DE A SANTANGELO-Sir:-I am sorry to return your I showed it to several Americans and others, all of whom

actinents the plin of Toluca will be passed as the basis of the new constitutional government.

We smiled at an ance fore told us yesterday by a former attimate of Santa Anna. He was endeavoring to prevail on our informant to write articles in his behalf for the journals in Europe and this country; and that he would have them distributed throughout Mexico—where (he said) they would make a much greater impression, than any articles or documents published at home. It would then appear it just, yet, they dure not do it through feer of the government and of being injured in some way or other in their Santa Anna alone could and should wied the destines of business. Wishing you a safe journey and passage to the Mexican government; and that the choice was one of New Orleans, or such place as you may embark for, I am, respectfully, your assured f. lend.

AARON LEGGETT. To William L. Parrott, Eaq. Consul of the United States

vice of more effect:—for (added he) 'I wish to appear as a virgin, more desired than seeming to desire.' Such was the policy of Cromwell and Napoleon; and such is the scheme of the desire and desirer of the Mexican government—the virgin president!

We publish the following documents to awaken the attention of the general government and the public to the melanchioly condition of the American civizens resident in Mexican. It appears that the Mexican government rules them with a rod of incomplete the American government rules them with a rod of incomplete the American, and the United Mexican government of the United States of America, and the United Mexican government of States, concluded on the 5th of April, 1834, and conceived States, concluded on the 5th of April, 1834, and conceived

THE MOUNTAIN COTTAGE. Full thenty a gain of pulsat ray arrend, The dark unlathemed enverof occur bear; Full many a flower is born to Clash unecen,

And waste its sweetness on the desert air. I never to fully realized the beauty of the lines, as do to symmetry and consistency all ordinances presented by any member or committee, before being acted on in the council?

And moreover he formally requires his present protest the which I now record. The circumstances to member or committee, before being acted on in the council?

And moreover he formally requires his present protest which I now record. The circumstances to the received and filed in the protocols of the consulated of the U. S. of A. in this city.

Finally, he further and solemnly protests against the Mexican Government for any other probable or possible damages, plejudices, and losses that may hereafter result from his cruel, unjust and unlawful benishment, either to himself, or to his wife or servants, in their committee with us in opinion as to the distance of lightway robberty.

All day I had wandered smong the wild scenery of the health, life, and honour, in case of highway robberty.

seeing a human habitation, until, at the close of days; I 1834 came sa view of a small cottage, the night of which was Increase came in view of a small cottage, the sight of which was induced welcome. Fatigue and hirrger naturally directed my steps to the cottage, which I found was formed by fastening the ends of logs together at right angles, than that highrouf of rough boards. As I entered the rude with a highrouf of rough boards. As I entered the rude endoure, I carned to survey the unrounding scenery. The cottage was situated in the basen of a deep valley, at the base of two gigantic mountsits whose summits were loss among the circulus, and the sides of which were were lost among the circuls, and the sides of which were covered with unbroken green, save here and there an oak or pine lifted its withered limbs, like Patriarche

who had with stood the stooms of many winters.

In front of the cottage was a stream of the purest water, lesping over its rocky bed, sparkling as it pursued

tation to accept the invitation so cordially extended. The hod was placed upon the table in a few plain dishes, yes they contained the choicest delicacies which the Green Mountains afforded; such as strawberries, fresh orean new white bread, and me at delicious bester. Very soon we were joined by her husband, - a plain, though i doubt tot an honest and industrieus man, yet I could not help hinking him decidedly inferior to his wife.

intiking and decidedly interest to his week. As we surrounded the table, the good man with great implicity and devotion, invoked the bleshing of God, which soon informed me that they were religious peoples and as we continued to converse, I learned that they were Methodists. Although not often permitted to enjoy the public ordinances of feligion, yet they were simp hearted and plous.
In their conversation upon many subjects they be trayed

an ignorance cometimes quite aniusing, b t of the sub-ime triths of Revelution, their knowledge and intimacy were truly astonishing. The subject was the beginning and end of their contemplations; its greatees and ab-sorted them, its purity had elevated them, its benighity had softened their hearts as fulness had satisfied souls. On this theme they delighted to converse. spread itself over their thoughts, it was manifested in heir actions.

"Compared with this, how poor religious pride, In all the pump of arethod and of art, When men d splay to congregations wide The Power incensed the pageant will describe the point out train, the pageant will describe the point of the pageant.

Any hear, well pleased, the language of the soul, And in his book of life the inmates poor enro.". While conversing with the good woman, a thought coursed to me, which I ventured to express to her, this so far removed from the advantages of education, they endeavor to fearm my children on much as pos sible. And little Jane who now lies buried under thus seas and direct violation of an action of the interest with the country—and the same fellow contains—and the same fellow contains—an Spring would only come and cover the mountain with green, and deck the valley with flowers, she would with them betchewed and wall. The Spring did come, the mountains were covered with green, the valles with flowers, and the sir was filled with fragrance and the sings of birds. Every thing looked fresh and beautiful except my poor Jane. Her looks grew pale, and her voice grew faint. Often I would take her slender form in my arms and beat hef to vonder green green. voice grew faint. Often I would take her slender form in my arms and bear her to vonder grove,—and earn-cally, oh how varneatly! bid I pray that the lifty and drooping, might be revived. One day white there, helding her in my arms, she seemed unusually deveut and tender, and looking me carneatly in the face she said, Mother, although I feel some atronger to day, yet I am sure I shall soon go up to that bright place among the sivers, where you say God lives. And Mother, they way dies not look dark. If you will only lay me here under the sivers and among the flowers, I am sure my Sheph.

Tambonat Post Boy, Annable, from the names be brought. t esse trees and among the flowers, I am sure my Shepherd whom you have taught me to trust and love, will guide me to heaven, where we shall all sheet at last; as you have so often told mu! then we shall never part again. After a short but fervent-prayer that this might be our happy lot, somewhat exhausted she fiel seleep; a sweet-mile lingered upon her face, and as she alept she looked so beautiful I leaned over to kiss her brow, but was cold; her pirit had already ascended to Heaven". It was cold; her pirit has already ascended to I feaven. In this artiess every there was a natural pathos which was quite irresistible. The sternness of the unbent, his little daughter dissolved in tears, the narrator's factings frequently interupted her narrative, and even the sympathies of a stranger's heart were deeply

oven the sympathies of a stranger's heart were deeply excited.

Heavy as this stroke of Divine Providence had hear, and deeply as they had felt it, yet Religion pure and unceiled, shed over their humble path its hallowed in fluence, assuaging the griefs of this life, and decided, shed over their humble path its hallowed in fluence, assuaging the griefs of this life, and decided.

uncerted, shed over their humble path its hallowed in humble, assuaging the griefs of this life, and pointing them to a full fruition above.

With increasing interest I continued to converse with these simple hearted people, and lingered until the deeppening twilight reminded me that I must deper. So the after receiving their cordial invitations to again, I mounted my horse and parened my way, not without regret at taking leave of the Mountain Cuttage.

Miss. York, July, 1835.

A gentleman who was paying his addresses to a lady, at leagth summoned up sufficient courage to ask if they were agreeable to her and whether he might flatter himoff with a chance of success. The lady replied states arti with a citative of success. A me lang repri sure system-telling the gentleman to transpose the latters so as to form out of them another word was her answer. The mader who can find out the word need never feer being somp mesed by a lady; those who cannot must either persist till they excreme the difficulty or may give up all throughts of
