FOURTH DISTRICT-F. L. LUMSDEN, W. M. FLEMING, J. G. SEVER. FIFTE DISTRICT-JULES BENIT, P. LEVERGES.

LOUIS SURGE SEVENTE DISCRETE TREME, JOSEPH SOLOMON NINTE DISTRICT-JOHN LAIDLAW.

When he is the Fig. A. I. F. C. R. The Man. A. Residend, That we look upon the Whigh party as the great conservative party of the country—whose principles are best adapted to foster domestic industry—to develop the resources of the country by a policious a system of internal improvements, and by a weer just and encrease administration of the afters of the nation to advance its interest abroom.

A well regulated system of Free Binks—so guarded and protected data while in we operation, it shall diffuse the benefits of accountaining capital, it shall at the same time affind a safe circulation, that shall be conventible into species at all times and under all circumstances. The delegation of the necessary power to create and loarer a wise and liberal system of reaches and loarer a wise and liberal system of reaches as well tend to encourage the accordance of the system. The delegation of a more process when of Pub is Education, by which the acquisition of Robins Education, by which the acquisition of

The Mail of yearerday brought dures from New York to the 18th, from Washington to the 20th, and from Charleston to the 22nd

to be bruty that:

At all the pulse, let a Committee composed of an equal number of both parties be detailed, and charged with the daty of admitting, say ten or twelve voters at a timefessible manner, the recept on of the votes will

know, the above plan has been put in practice for years, and the elections there have al

regret that our Candidate for Auditor is still detained in the Parish of Avoyeller, by severe indepent on. He writes to us, has his rheu-manism will not yet enable him to sur about and hopes that tos friends in New Orleans wit bear him in inlind on election day.

the route between Gauna and Gorgona, so as to the Tord District, it is almost too much to expect a Whig vectory in that nearly hopelessity Lecofoco region. This much may, however, be relied upon. Mr. Perry has assumed an ultitain on the Union question, as distanted to the Democrats as the Secession doctrine is odious, to the Whigs. Through his mouthpasse, Mr. Perry is Banch and Dr. Berry, of New Ordens, Laban Manning, to the Democrats as the Secession doctrine is odious, to the Whigs. Through his mouthpasse, Mr. Perry is Banch and Dr. Berry, of New Ordens, Laban Manning, to offence. The Panama Headle publishes a resolute for the repeal by Congress of the Fugitive Slave Law, or the abolition of slavery in the Darrict of the repeal by Congress of the Fugitive Slave Law, or the abolition of slavery in the Darrick Mr. Perry in the Darricy in the Darrick Mr. Perry in the Perry in the Darrick Mr. Perry in the Perry in the Darrick Mr. Perry in the Mr. Perry in th

vasing the district with great activity, pro-claims himself a Union man, and seeks to cong the Democracy back to his support. The im-pression generally is, that he has impaired the confidence of his marry too strongly, to be each abled to rally them successfully in his behalf.— The contret is still involved in uncertainty, but the chances are favorable for the election, the companies of the still involved in uncertainty, but the chances are favorable for the election.

And the straight of the straig A SUGCESTION

As the election will no doubt be an exciting one palls, and as it is of infinite moment that no citzen should be deprived of his right to yore, we would suggest for the consideration of the Whig and Democratic Inspectors, an arrangement simply and easy, and by which all O'Conker. The building shore strength of the Inspectors, and arrangement simply and easy, and by which all O'Conker. The building where the fire com-

The Greenville Muniaineer any that the feels have gathered more than an average crop, and their fields have the appearance of being yet untouched, and are whitened by the opened boil. Corn is also an abundant crop—enough for all purposes."

Louis normal We learn with unfegned Arithmetic countries and the first of the Revolution, who died in August last, took place near Pendleton, on the 3d inst. A large number of persons assembled and moved in procession to the grave, under command of Gen. Gravin as Marshal of the day. The Richland Arithmetic number of graving fired, thisteen minimal ways to the countries of the day.

low been returned as chosen to fill said offices.

The Legislature will send as follows at the part returned. If the process of the send that the part returned is consistent asking effect. A S Hopper, recovering somewhose the effects of the short first consists, Mr. Jarkson having teen defeation on his brother; busing a double berseled that the consist, Mr. Jarkson having teen defeation of the brother; busing a double berseled that the consist, Mr. Jarkson having teen defeation of the brother; busing a double berseled to the Legislature, the first time for conse and five Whins and Neitres have been elected to the Legislature, the first time for making years that the County Assembly tiaket has been dirated.
