with a cool and insolent reist in relative to this mat THE FRUIT CROP.—TOBACCO.

LOCISVILLE, APRIS.—There is no doubt but
that the oold weather lear night has seriously injured the fruit and tobacco erep in this
State.

Dispatches from different parts of Tennessee may that great injury has been done to
the tobacco crop. Fruit trees have also suffered considerably.

CINCINNATI, April 6.—The cold snap of last
night has, it is supposed, totally destroyed
the peaches in this State.

the peaches in this State.

THE NORTH CAROLINA WOODS ON FIRE.
WILMINGTON, N. C., April 6.—The woods
near here are on fire in several places, and
its greatly feared that hearly all of the turpentine trees will be destroyed.
We have advices of the loss of twenty
thousand trees by a single producer.
It is not known how the bree originated.
THE MICARAGUA NEWS—A COUNTER
FRANCES.
NEW YORK APRIL 5. New York April 5. has vadence by the high New Granadian republic. NEW York, 1916.—The New York Tri-buse, of this morning, publisher a statement from one publisher a statement from one year of the Treas, contradictory was contained in the report of the purser. He (the passenger) says that he is a citizen of the government of Walker. He says that the report of Walker's vic-tury on the 16th is entirely without founds-tion. are any a that the report of Walker's vic-tory on the 10th is entirely without founds-tion. The control of the surface of the 10th comp of the Alice just before the 18th, had that at time Walker's wherea-houses had the surface at five wherea-houses had those in the surface at five with the intention of reaching the sea coast. He states that the varieties at five a with Canas and Walker, or sentine as much cry has been made, was suffy referring to the surrender of Walker. Any that Walker proposed to submit and down the country, provided be and his form the walker country. Canas replied, offering the works when the privilege of doing so without subsidial wave the privilege of doing so without subsidial wave the privilege of doing so without subsidial was the whole force except General water, whom he was determined to deliver for the Costa Ricans.

Ricans.

The result of this correspondence was, according to the statement is the Trissee, that Walker refused, and that he and his force subsequently left Rivas for the sea force subsequently left Biras for the sea coast.

He further states that the American may all officers at San Juan del Sur had appealed to Canas in behalf of Walker and his from the suppeal Canas replied that he work. The subsequence of the whole force to the United States, with the single exception of General Walker, who must be delivered up.

He says that the published istem from Henningsen and others purporting to give an account of recent victories gained by Walker, and which are dated on the 19th uit, the day the Traes left, and profess to have been sent by express to the greamer, giving a few details and referring to other letters, which are said to have been purioused on the route, have no signatures, and all bear unmistakable marks of fabrication.
