MOOSE SEASON IN MAINE

Six Weeks During Which the Great Animal was Pursued.

The season for trapping and killing moose in the Maine woods has just opened, and there has been a great deal of excitement over the recent killing of a large number of these animals. The moose are considered a valuable source of food, and their pelts are highly prized by fur buyers. The hunting season usually lasts for six weeks, during which time many hunters make their way into the wilderness to pursue the animals.
