The management of the establishment, in all its branches, the cuisine and great variety of the viands with which the table is always provided, as well as the strictest attention to which they will be prepared, induces Madame GEORGE to hope that, as heretofore, she will obtain the a not ungratifying share of the patronage of New Orleans, and of Planters in general.

MADAME GEORGE avails herself of the opportunity to inform the public that the hottest baths are from 8 to 9 o'clock. Dinner hours from 3 to 4.

Her charges for boarding and lodging included are as follows: $1 50 and $2 per day according to the size of the rooms.
