WINE CROP FAILURE

Product in France is less than Home Consumption.

You're Only About Two Feet from

Your Own Miniature Home

These Frenchmen need just 10 feet of space to grow
enough grapes to produce wine . . . now they're fighting
for more! The French want more wine! Every year French
villagers need more wine! Every year they try to grow
more grapes . . . now they're fighting for more space!

Sakeo Sake Brea

French vineyard workers are fighting for more space!
