

# Wikipedia Loves Art at the V&A

WIKIPEDIA  
*The Free Encyclopedia*

Welcome to Wikipedia Loves Art at the V&A – a free content photography contest organised by 15 museums worldwide and aimed at illustrating articles from the popular free-content encyclopaedia.

Please note:

- flashes are ok
- no tripods please
- only where artist died before 1939
- no photographs from Special Exhibitions
- no photographs from the Raphael Cartoon Court
- shoot the object then the label!

Full details:

[http://www.flickr.com/groups/wikipedia\\_loves\\_art/](http://www.flickr.com/groups/wikipedia_loves_art/)

Prizes are awarded for the teams who get the most points from the V&A. Each photo that matches one of these 50 themes get one point (maximum one point per theme). Bonus points will be awarded by a Wikipedia adjudicator for particularly useful or good quality photos.
