Subject: Correct Name for Bluestone WMA

Hi,

I'm working to edit the Wikipedia article on the WMA at Bluestone Lake (http://en.wikipedia.org/wiki/Bluestone_Lake_Wildlife_Management_Area).

I'm trying to find out what the correct official name is for the WMA. I've seen Bluestone WMA and Bluestone Lake WMA both used, including in different places on the WVDNR website and on signs at the WMA itself. Can you tell me which is the correct name?

Thanks!
