[Suggested Reading Book Lists](#)

Welcome to Bookjive At Bookjive you will find summaries of tons of books that are written by actual readers. Book summaries are great previews, for those who haven't read the book and great reviews for those who have read them. We are creating a community where people are able to share not only what they have read but discuss the topics presented in each book and how it has help. (read more....)

Help Fight Illiteracy (read more...)
