Dear Members of the Wikimania 2013 Jury

Subject: Wikimania 2013

We learned with interest that Hong Kong is being invited to submit a bid for the captioned event.

Cathay Pacific Airways, Hong Kong's home carrier, together with sister airline Dragonair, offer passenger and cargo services to over 110 destinations in Asia, North America, Europe and Africa. Operating over 120 wide-body aircraft, we fly one of the youngest fleets in the air. But it is the high level of personal service we offer that sets us apart and wins us passenger loyalty and numerous industry awards.

We are pleased to support Meetings and Exhibitions Hong Kong (MEHK) for this bid. If Hong Kong is chosen as host destination for Wikimania 2013, we would be pleased to offer competitive airfare to the delegates and staff attending the event.

Yours sincerely

Christine Zhu
