EXT. OUTSIDE A MOVIE THEATER

Fade In

A young person and a old person exit a movie theater. The young person carries a bag of popcorn in his hands. Then suddenly the young person stops and looks at the poster.

YOUNG PERSON  
That was a great movie...  
(he pauses for a second)  
..but I don't understand one thing.

OLD PERSON  
Hum, what's that?

YOUNG PERSON  
(talks a doubtful way)  
I don't understand how anyone could  
be *seduced by the dark side*.

The young person after asking him goes to a nearby trashcan throws the popcorn away and comes back to the old person awaiting an answer.

OLD PERSON  
(while the young person throws  
the popcorn away, he thinks  
for a while)  
What computer do you use at home?

YOUNG PERSON  
(Eagerly answers)  
A Macintosh.

OLD PERSON  
(slowly asks)  
But.. what computer does your  
father use at work?

YOUNG PERSON  
(thinks for a while, and  
loudly in amazement answers)  
*Seduced by the dark side!*

The older person smiles at the young person showing a positive response which gave the boy happiness by knowing the important lesson he has just learned. The street lights turn on indicating it is nighttime. They both leave home slowly on the sidewalk knowing the bond that will last a lifetime.
