The screenshot displays the Lotus Notes application interface. The top window shows a workspace with folders for 'Alex Boulton - Inbox' and 'Alex Boulton - Calendar'. Below this, there are several floating windows. One window shows a calendar view for November and December 2002, with a list of events including 'BVI External Audit', 'Call Tony Verrall', 'Sue Lee Contact Address - Migration Review', 'Notability GSK staff review', 'ML4', 'Ph's Place', and 'Bil James - SLC'. Another window shows a mail view with a list of messages, including one from Mike Doorne dated 11/07/2002 and another from Steven Shephard dated 13/09/2002. The interface includes standard menu bars (File, Edit, View, Create, Help) and toolbars with various icons for file operations and navigation.
