### Working with IBM Training and Certification

From January 1st 2009, Cognos Training will be fully integrated into IBM. Here are some of the changes you will see when you are booking Cognos Training:

- For Training enquiries, you can continue to call the Cognos 1800 phone numbers listed on the front page of this Schedule, until end of March 2009
- Searching and registering for courses online will be via IBM's global online registration system. You can access the system at [www.ibm.com/training](http://www.ibm.com/training)
- IBM Cognos training curricula, training paths, and certification program will be available on the IBM web site at [www.ibm.com/cognos/training](http://www.ibm.com/cognos/training)

At IBM Cognos we look forward to continuing to provide you with our familiar high standard of Cognos training throughout 2009.

### Cognos E-Learning

Cognos award winning offerings are delivered in three self-paced formats to help you accelerate knowledge transfer and increase user adoption within your organisation.

Contact Cognos Education in your state for more information on the comprehensive range of e-learning titles that are available.

### Cognos Onsite Training

Many customers are limited in being able to leave the office to attend training. We can arrange for a Cognos Certified Instructor to come to your site to deliver your training, allowing all departments and user types to get up to speed quickly and cost effectively. We can also tailor courses to suit your requirements. Contact us to discuss your training needs.

### Cognos in the Classroom

Cognos Education is committed to delivering the highest standard of training utilising the current versions of Cognos software available to our customers.

If you require training on previous versions, please contact us to ensure we offer the best solution to your training requirements.

Course prices are ex-GST and correct at time of printing. Published dates and prices are subject to change.
