Capture Feedback with IBM SPSS Data Collection

Karen Hardie

Senior Technical Sales Consultant
IBM Software Group

What If.....

You could use feedback captured from:

- **Customers**
- **Constituents**
- **Employees**
- **Students**
- **Patients**
- **Stakeholders**

to make improvements to your businesses, services or programs

You could.....

- Reduce marketing spend
- Tailor web sites
- Better identify prospects
- Analyse buying patterns
- Personalise interactions
- Have better knowledge of customer requirements
- Be more aware of staff needs
- Identify students at risk
- Identify problem areas in your organisation.

The world is changing, enabling organisations to make faster, better-informed decisions

Good afternoon,

My name is karen_Hardie I am calling on behalf of Human Capital Management.

We are doing a survey on behalf of your employer to ask you about some of the training you may have done recently.

Would you mind answering a few questions about this?

It will take around 10 minutes.
