For help with the Adobe Acrobat Reader application, see the Adobe Acrobat Reader Guide. To open it, choose 'Reader Guide' from the Help menu.

If you want to attach an index file:

- Open the book you want to search
- Attach the index file manually by opening the '[Index Selection](#)' box and clicking on 'Add...'

Adobe Acrobat index files have the file extension, '.pdx'.

Hints and tips on searching this collection of PDF files are contained in the '[Search](#)' panel. For more help with the Acrobat Reader Search function, see the section on 'Searching Catalog Indexes' in the Acrobat Reader Guide.
