Integración de componentes dentro de una aplicación

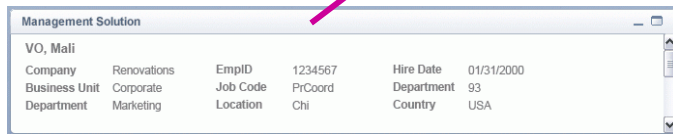

Aplicación Notes

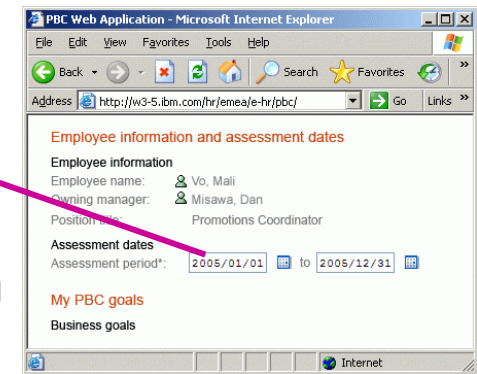

Componente de una aplicación de contactos

Aplicación de terceros (PeopleSoft)

Aplicación Web

Modelo de aplicación compuesta (Composite application)

- Cada componente es un “rectángulo” (portlet) usado dentro de una composición
 - ▶ Pueden estar desarrollados con diferentes tecnologías.
 - ▶ Pueden estar orientados a diferentes tipos de clientes. (Browser, Cliente rico, dispositivos móviles, etc).

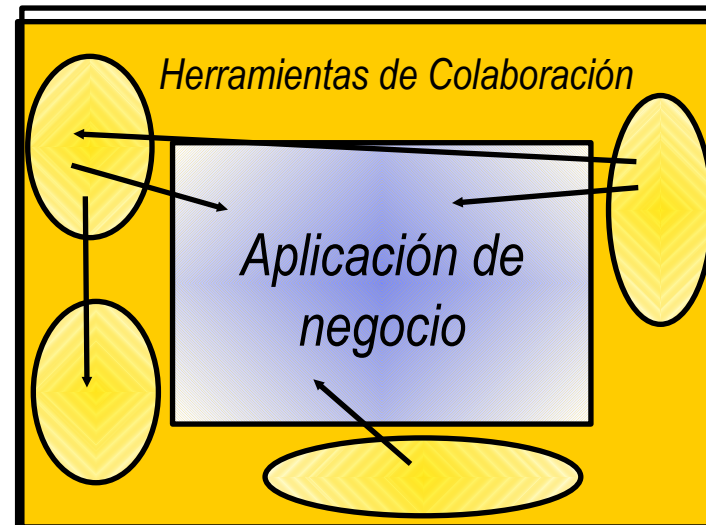

- Una composición es una colección de componentes
 - ▶ Integra los diferentes componentes.
 - ▶ Define la disposición y la navegación entre los componentes.
 - ▶ Define la comunicación entre los diferentes componentes.

- El mismo modelo que se usa en WebSphere Portal se utiliza en el cliente Hannover.

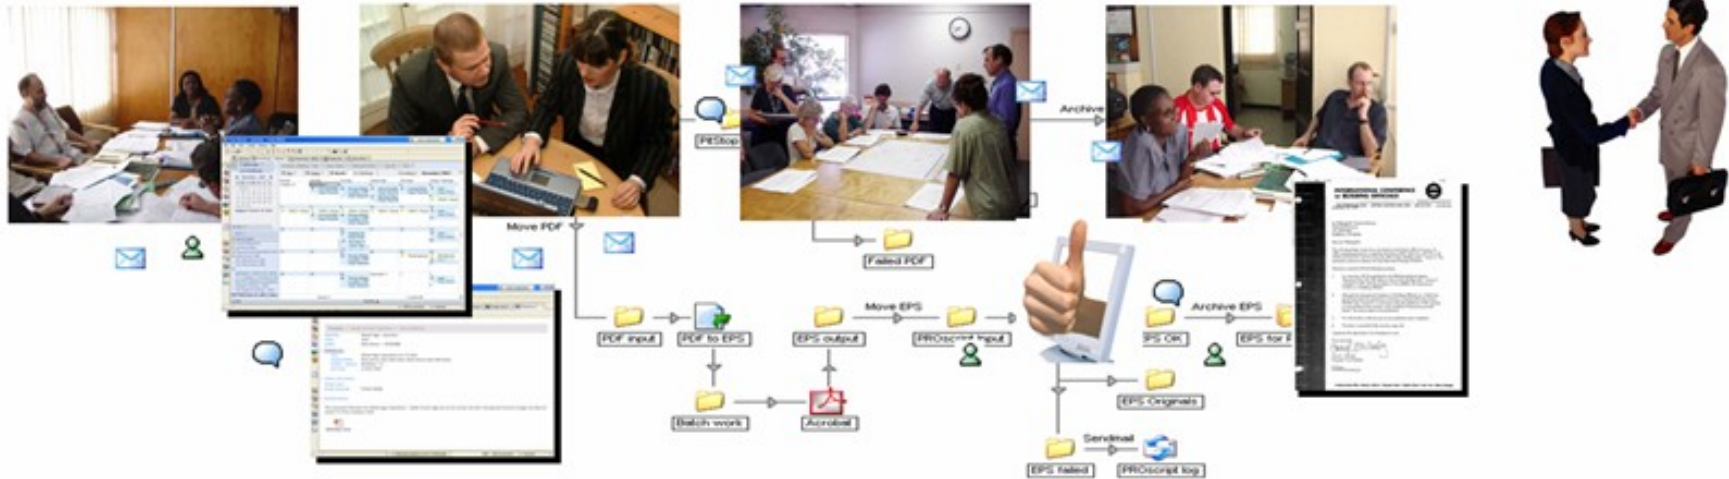

Modelo de aplicación compuesta (Composite application)

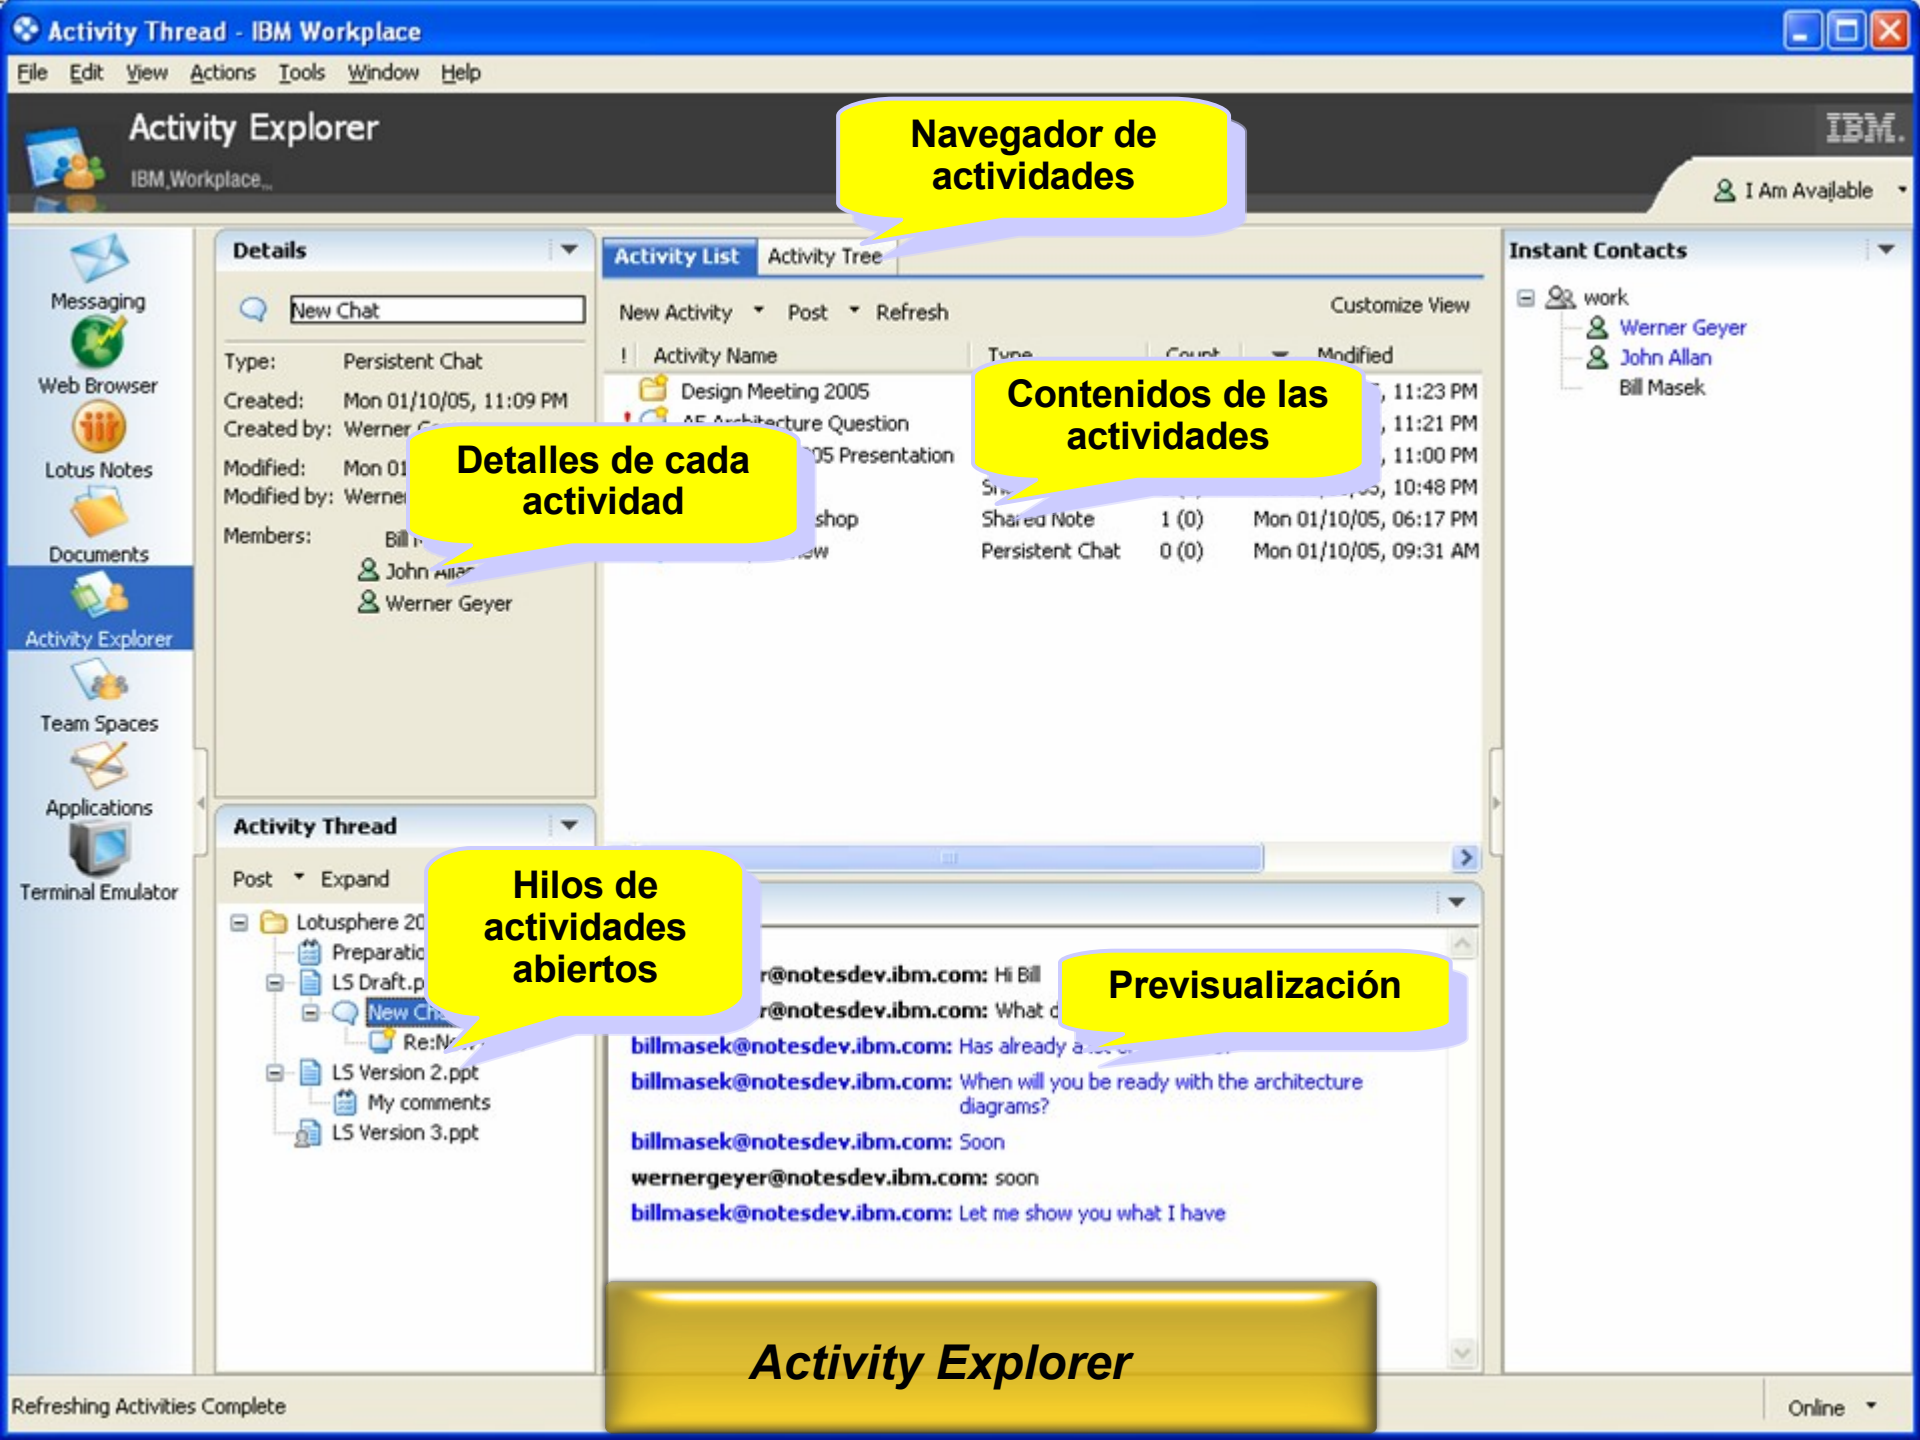

- Permiten la integración de diferentes componentes:
 - ▶ Aplicaciones y bases de datos Notes.
 - ▶ Componentes y plug-ins Eclipse/WMC.
 - ▶ Portlets remotos vía Web Services for Remote Portlets (WSRP)
 - ▶ Aplicaciones java basadas en Swing y AWT.
 - ▶ Aplicaciones desktop usando las capacidades de integración de Eclipse.
- Aplicaciones compuestas son la clave de la colaboración contextual.

Colaboración orientada a actividades

Una actividad es el conjunto de interacciones entre las personas, los contenidos en que trabajan, las herramientas que utilizan, las comunicaciones que entre ellas se realizan y los procesos que siguen para realizar una tarea común.

Great suggestion, Amadou. Samantha, I think you should add Dan Misawa to this team. He's new to Marketing, representing the ready-to-assemble line. Also, I want you to take a look at the chart below. These numbers are very interesting.

Re: Power Renovations promotion To: Samantha Daryn
 From: Heather Reeds cc: Amadou Alain, Gail Chao

Great suggestion, Amadou. Samantha, I think you should add Dan Misawa to this team. He's new to Marketing, representing the ready-to-assemble line. Also, I want you to take a look at the chart below. These numbers are very interesting.
