

CICS V5.1

All change! new version, new year, new style

Hello and welcome to your new-look CICS newsletter, crammed with all our latest news and events! We are delighted to have released CICS V5.1 at the end of last year, and 2013 is jam-packed with great conferences and events where you can get all of the juicy technical details from our CICS specialists. Our next conference is [Mobile World Congress 2013](#), 25-28 Feb; come along to see how CICS has embraced the world of mobile devices and connectivity to deliver mobile solutions on a robust platform.

The best things in life are free: CICS V5.1 developer trial

Our free CICS TS for z/OS Developer Trial V5.1 has just become available! You can try before you buy with a full set of features but restricted performance and limited operational lifespan. [Get it now!](#)
