

RESUME

Name: IBM Lotus® Notes® and Domino® 8.5
Web site: www.ibm.com/in/nd8.5

Collaboration specialist with over 20 years of experience across industries.

Achievements

- Lotus Notes and Domino have grown to over 145 million licensed users worldwide and now have 20 years of leadership in the collaboration space.
- Over half of America's largest companies and Fortune Global 100 companies use Lotus Notes and Domino, including more than 80 percent of the largest banks and companies from various industries like consumer products, electronics, insurance, pharmaceuticals and telecommunications.

Skills and Strengths

- **I can help you drive greater business value** – By improving navigation, delivering new applications faster with a flexible and integrated framework, eliminating roadblocks and driving bottom-line savings, I can help you save time and money and create compelling Web applications.
- **I can help you boost your IT performance** – By minimizing redundant file attachments, saving 40 to 60% of your disk space, providing advanced e-mail security, resolving server issues, increasing scalability and memory availability, reducing energy consumption, optimizing productivity and improving performance, I can address your daily business issues.
- **I can help you deliver an enhanced user experience** – By enabling you to create and share documents, organize and expand personal networks, quickly get the information you are looking for, maintain greater control over your schedule, integrate professional and public calendars into a single, easy-to-use view and share business contacts across platforms instantly, I can take collaboration and efficiency to a whole new level.
- **I can offer a solution for virtually any size company** – I can provide your business with what it needs today and easily scale and add capabilities as it changes.

Additional Skills

- I am fluent in 23 languages
- I can help you organize meetings and simplify your work environment
- I can help you go green

Interests

- Elevating collaboration
