

Software Withdrawal: IBM Communications Manager/2 Versions 1.1 and 1.11 – Replacements Available

Effective December 31, 1997, IBM will withdraw from marketing the programs licensed under the IBM International Program License Agreement, which are listed in the **Program Withdrawals** section.

This withdrawal is also applicable to Version 1.11 of Communications Manager/2. The associated feature numbers and part numbers are the same as those associated with Version 1.1.

After December 31, 1997, you can no longer obtain these programs directly from IBM. You can obtain these programs on an as-available basis through IBM authorized remarketers.

Effective September 9, 1998, IBM will withdraw from marketing the associated Additional Licenses and Distributed Features as listed in the **Additional License and Distributed Feature Withdrawals** section.

Replacement Product Information: These programs have been replaced by any one of the following products, depending upon the customer environment:
