

# INNOVATE 2014: The IBM Technical Summit

## DevOps for System z

### 2 tracks and over 40 sessions to choose from

**Enterprise Development for System z (DDZ)**  
 Location: Dolphin, Oceanic 1, Focus: Technical

Page 2

**Enterprise Modernization: DevOps for Multiplatform Apps (DEM)**  
 Location: Dolphin, Oceanic 3, Focus: Management

Page 3

**Discover Rational (Sunday), Workshop (Sunday),  
 Solution Suites (Mon-Thurs), Exhibit Hall (Mon-Wed)**

Page 4

### Featured sessions

#### Analyst Keynote and DevOps Experts Panel in Asia 1

**Analyst session: DEM-2115**  
 DevOps for Enterprise Systems:  
**Mission Impossible?**  
 Monday, June 2,  
 11:00 AM - 12:00 PM

Phil Murphy | Hayden Lindsey

**Experts Panel:  
 DEM-2326**  
**Unicorns, Horses and the  
 Rise of DevOps Enterprise**  
 Monday, June 2,  
 1:45 PM - 2:45 PM

Gene Kim

### Special System z Reception in Il Mulino

**Special System z Reception  
 at Innovate 2014!**  
**Tuesday, June 3, 2014**  
**Il Mulino Restaurant**  
**Walt Disney World Swan Resort**  
**7:00pm - 9:00pm**

© Walt Disney World Swan and Dolphin Resorts

Take a break from your session schedule and join the System z community at Innovate for a special reception given exclusively for System z friends and customers.

Hosted by Phil Weintraub (Vice President, North America IBM System z Software Sales), the reception is a great opportunity to meet or reconnect with your mainframe peers, IBM experts and executives in a comfortable, relaxed setting – the renowned Il Mulino Restaurant in the Walt Disney World Swan and Dolphin Resort (Innovate badge and VIP ticket required for admission). Please RSVP in advance.

## Sessions

## Monday-Thursday

Time	Session #	Session title
<b>Monday, June 2</b>		
11:00 PM – 12:00 PM	*DEM-2115	Stream Kickoff: DevOps for Enterprise Systems: Mission Impossible? * Asia 1
1:45 PM – 2:45 PM	DDZ-1522	Get an A+ on Testing Your Enterprise Applications with Rational Development and Test Environment for System z
3:00 PM – 4:00 PM	DDZ-1812	Accelerating Software Delivery on System z
4:15 PM – 4:45 PM	DDZ-1610	Automated Unit Testing Framework for z/OS Applications? Yes, it's real!
5:00 PM – 5:30 PM	DDZ-2411	Fast, Flexible and Convenient – z/OS Support, Maintenance and Development using a Browser
<b>Tuesday, June 3</b>		
10:00 AM – 11:00 AM	DDZ-1055	How Should We Build? Exploring a Developer's Options To Build Mainframe Applications
11:15 AM – 12:15 PM	DDZ-2398	Mainframe developers at TSYS embrace the value of IBM® Rational® Developer for System z® to drive adoption
12:30 PM – 1:30 PM	DDZ-2472	<b>BoF:</b> Forecast cloudy or clear? Exploring System z Development and Test in the Cloud
1:45 PM – 2:45 PM	DDZ-2336	Getting to the DevOps promised land with Continuous release and deployment across mainframe environments
3:00 PM – 4:00 PM	DDZ-1531	Continuous Integration with Rational Development and Test Environment for System z at Nationwide
4:15 PM – 5:45 PM	DDZ-2113	System z Meet the Technical Experts
<b>Wednesday, June 4</b>		
8:00 AM – 9:00 AM	DDZ-1843	Mainframe Skills: The Myth and the Reality
9:15 AM – 10:15 AM	DDZ-1174	Collaborative Development Panel: Best Practices in Implementing a Rational Team Concert Solution
10:45 AM – 12:15 PM	DDZ-2434	Improving your time to value with Rational System z development solutions - proven practices from the pros
1:45 PM – 2:45 PM	DDZ-1220	Unifying Cross Platform Development Teams at CACEIS Bank- Two Years in Production
3:00 PM – 4:00 PM	DDZ-1895	Where do all the copybooks go? And other RDz and RTC implementation questions
4:15 PM – 5:45 PM	DDZ-2314	Optimize Performance and Productivity With Latest System z Compilers
<b>Thursday, June 5</b>		
8:30 AM – 9:30 AM	DDZ-1697	Discover Rational Team Concert with Enterprise Extensions Features for System z
9:45 AM – 10:45 AM	DDZ-1937	Speed mainframe application delivery with continuous testing and test environment virtualization
11:00 AM – 12:00 PM	DDZ-1754	Integrating IBM Rational Software into a Mainframe z/TPF Transaction-based Software Development Model

# Track: Enterprise Modernization: DevOps for Multiplatform Apps (DEM)

Location: Dolphin, Oceanic 3, Focus: Management

Sessions			Monday-Thursday		
Time	Session #	Session title			
<b>Monday, June 2</b>					
11:00 AM – 12:00 PM	*DEM-2115	<b>Stream Kickoff: DevOps for Enterprise Systems: Mission Impossible?</b> * Asia 1			
12:30 PM – 1:30 PM	*DEM-2481	<b>BoF:</b> How Compilers Reduce Operating Costs for Running Business Critical Applications on System z			
1:45 PM – 2:45 PM	DEM-2326	<b>Experts Panel: Unicorns, Horses and the Rise of DevOps Enterprise</b> * Asia 1			
3:00 PM – 4:00 PM	DEM-1524	DevOps on the Mainframe: It's not just a Dream			
4:15 PM – 5:15 PM	DEM-1959	The Evolution of Modern IDEs: From Mainframe to Mobile and Cloud			
<b>Tuesday, June 3</b>					
10:00 AM – 11:00 AM	DEM-2329	DevOps Meets Enterprise Systems			
11:15 AM – 12:15 PM	DEM-2339	Customer Panel: DevOps for Enterprise Systems Customer Success Stories			
12:30 PM – 1:30 PM	DEM-2483	<b>BoF:</b> Bridging the Mainframe Skills Gap: Making Systems of Record and Systems of Engagement Great Dance Partners			
1:45 PM – 2:45 PM	DEM-1878	How Fidelity Modernized its Mainframe Development Environment to Speed Application Delivery			
3:00 PM – 4:00 PM	DEM-2429	Continuous Release and Deployment Across Multi-platform Environments			
4:15 PM – 4:45 PM	DEM-1670	Bank of America Integrates SDLC to Provide Cross-Platform Agile Development			
5:00PM – 5:30 PM	DEM-1133	Continuous Integration and Testing Strategies for Mainframe Applications			
<b>Wednesday, June 4</b>					
8:00 AM – 9:00 AM	DEM-2234	Becoming More Agile on the Mainframe with RD&T: Fiducia's way of Implementing CI			
9:15 AM – 10:30 AM	DEM-2043	What's in Your (e)Wallet? Transforming Payments and Transactional Capabilities			
10:45 AM – 11:45 AM	DEM-1703	KMD Brings Mainframe Development to the 21st Century			
12:30 AM – 1:30 PM	DEM-2482	<b>BoF:</b> Best Practices and Tips on Migrating from Legacy Mainframe Source Code Management Systems			
1:45 PM – 2:45 PM	DEM-1374	Value and ROI of Migrating from Legacy Mainframe SCM to Rational Team Concert			
3:00 PM – 4:00 PM	DEM-1479	Moving to Agile Methods and DevOps on IBM i with ARCAD Pack for Rational			
4:15 PM – 4:45 PM	DEM-1647	Retailer Opens up CICS Applications Through Mobile Enterprise			
5:00 PM – 5:45 PM	DEM-2430	The DevOps Approach: Optimized Development and Debugging Solution for IBM System z			
<b>Thursday, June 5</b>					
8:30 AM – 9:30 AM	DEM-1446	Aetna Scaling Enterprise Java Development with Rational Application Developer			
9:45 AM – 10:45 AM	DEM-2431	AG2R-LA MONDIALE: Application Modernization Success Story			
11:00 AM – 12:00 PM	DEM-1947	Calculating Your DevOps for Enterprise Systems Return on Investment

# Solution suites, workshops and exhibit hall schedule

## System z Solution Suites Schedule Northern Hemisphere B corridor, Rooms 2 & 3

Time	Session #	Session title
Monday 1:00 PM – 5:00 PM	By appointment	Customized 1:1 demos. Register to reserve your time slot now <a href="#">System z - INNOVATE 2014 Solution Suites Registration Link</a>
Tuesday 10:00 AM – 5:00 PM	By appointment	Customized 1:1 demos. Register to reserve your time slot now <a href="#">System z - INNOVATE 2014 Solution Suites Registration Link</a>
Tuesday 12:30 PM – 1:30 PM	By appointment	Discover How to Revitalize Your Business Critical COBOL Applications and Reduce the Cost of Running Them
Wednesday 9:00 AM – 5:00 PM	By appointment	Customized 1:1 demos. Register to reserve your time slot now <a href="#">System z - INNOVATE 2014 Solution Suites Registration Link</a>
Thursday 8:00 AM – 11:00 AM	By appointment	Customized 1:1 demos. Register to reserve your time slot now <a href="#">System z - INNOVATE 2014 Solution Suites Registration Link</a>

## Discover Rational on Sunday

Time	Session #	Session title
<b>Discover Rational</b> Sunday 9:15 AM – 10:15 AM	IDR-1076	Mainframe Goes Mobile: Unleash Your Enterprise Business Logic to Drive Customer Value
<b>Instructor-led Workshop</b> Sunday 12:30 PM - 5:30 PM	WRK-1288	DevOps for Enterprise Systems: IBM System z Development and Continuous Testing
<b>Discover Rational</b> Sunday 1:30 PM – 2:30 PM	IDR-2308	Rational Business Developer/EGL Roadmap and Real Implementations

## Exhibit Hall

Time	Session #	Session title
<b>Innovate Lab</b> (Monday – Thursday)	Exhibit Hall	RD Traveler (Sneak preview of latest Cloud IDEs for IBM Enterprise Systems)
<b>Various Demo Peds</b>	Exhibit Hall	Get live demos of latest Enterprise Development solutions for System z and Power
