PLAY COURSE CODE and TITLE	BRAND	TRAINING
Install Base	**DB2**	
Content Manager		● Content Manager **IM40**: DB2 Content Manager for Multiplatforms V8 Implementation and Administration or **IM25**: DB2 Content Manager for Multiplatforms V8 API Programming ● Content Manager OnDemand **OD101**: Introduction to Content Manager and **OD104**: OnDemand Application Workshop or **OD105**: OnDemand System Administration ● MQ Workflow **MW01**: WebSphere MQ Workflow Introduction **MW30**: WebSphere MQ Workflow Modeling **MW20**: WebSphere MQ Workflow Client and API or **MW15**: WebSphere MQ Workflow Basic Tailoring or **MW50**: WebSphere MQ Workflow for S/390
DB2 Universal Database Family		**CF03**: DB2 Family Fundamentals **CF12**: DB2 SQL
DB2 Application Programming		**CF10**: DB2 UDB Programming Fundamentals (UNIX and Windows) **CF11**: DB2 UDB Advanced Programming or **CG11**: DB2 UDB Programming Using Java (UNIX and Windows) or **CF82**: DB2 UDB Application Programming z/OS (Cobol) or **CG14**: DB2 UDB Programming Using Java
Advanced Programming Techniques and Query		Options **CF71**: DB2 Store Procedures Programming **CG12**: Generating and Integrating XML Content with DB2 **CF81**: QMF on S/390
Multi-Database Access		**CF60**: DB2 Connect DRDA Implementation with TCP/IP **CF61**: DB2 Connect DRDA Implementation with SNA and TCP/IP Federated Multi-Database

DB2 Business Intelligence Data Warehousing Methodology IBM Informix Dynamic Server Administration for Business Intelligence, Web Applications, Solutions and OLTP		**DW48**: Federated Database with DB2 **DW40**: Federated Database Performance and Tuning **DW03**: Introduction to Business Intelligence and Data Warehousing Options **DW10**: Building the Data Warehouse **DW12**: Data Warehouse Multi-Dimensional Modeling **DW13**: Data Warehouse Extract Transform and Load **DW18**: Data Warehouse VLDB Issues and Solutions **DW46**: DB2 Warehouse Manager or **CF18**: Relational Database Design **L1846**: IBM Informix Dynamic Server Administration **L1760**: IBM Informix Dynamic Server Oracle Administration Options **L2403**: IBM Informix Dynamic Server Performance Tuning **L2578**: IBM Informix Dynamic Server Internal Architecture **L2615**: IBM Informix Dynamic Server Enterprise Replication **L2748**: IBM Informix Dynamic Server Backup and Restore **L2880**: Troubleshooting IBM Informix Dynamic Server
	Lotus	
Lotus Notes and Domino 6.5 Administrator		**Transition Paths** **ND710:** Preparing IBM Lotus Domino R4 System Administrators for Domino R6 **ND720**: Exploring New Features in IBM Lotus Domino 6 Administration (must already be R5 certified) **Full Training Path** **ND750**: Administering IBM Lotus Domino 6: Operating Fundamentals **ND760**: Administering IBM Lotus Domino 6: Building the Infrastructure **ND770**: Administering IBM Lotus Domino 6 Managing Servers & Users or **CBT/CD** CBT61 **and** CBT62 *or* CBT68
Lotus Notes and Domino 6.5 Developer		**Transition Paths** **ND410:** Preparing IBM Lotus R4 Developers to Use Domino Designer R6

		ND420: Exploring New Features in IBM Lotus Domino 6 Designer (must already be R5 certified) **Full Training Path** **ND510**: Developing IBM Lotus Domino 6 Applications: Foundation Skills **ND520**: Developing IBM Lotus Domino 6 Applications: Intermediate Skills **ND610**: Developing Dynamic Web Applications with IBM Lotus Domino 6 or **CBT/CD** CBT63 **and** CBT64 **and** CBT65 *or* CBT69
	WebSphere	
WebSphere Commerce		● **Prerequisite for WebSphere Commerce is WebSphere** **Development** **WF60**: WebSphere Application Server Development (Java & J2EE skills) or **WF607**: e-learning WebSphere Application Development **WF31**: Servlet and JSP Development for WebSphere using WSAD V5 (have Java skills but need J2EE skills) or **WF317**: e-learning Servlet and JSP Development or **Administration** **WF38**: Administration of WebSphere V5 **WF387**: e-learning Administration of WebSphere V5 or **WF40**: Administration of WebSphere pSeries or **S6235**: Introduction WebSphere Development Studio for iSeries **S6570**: WebSphere Application Server Administration Install & Config iSeries **S6571**: WebSphere Application Server Administration Advance Management **WA38**: WebSphere Commerce V5.5 Implemenetation
WebSphere Portal		**SW741:** IBM WebSphere Fundamentals (e-learning) Development **SW531 or PW551**: IBM WebSphere Portal V5 Application Development or Administration

		SW532 or PW321: IBM WebSphere Portal Administration **SW530 or PW311 or SW535**: IBM WebSphere Installation and Deployment
WebSphere Everyplace Access		**SW101**: IBM WebSphere Everyplace Access Administration and Deployment **SW102**: IBM WebSphere Everyplace Access Application Development **SW104**: IBM WebSphere Everyplace Connection Manager
WebSphere Enterprise Transformation		Need to improve user interface? **SW91**: IBM WebSphere Host Acess **E4485**: IBM WebSphere Host On demand Need to adapt your transaction system for more web connectivity? **CI72**: Introduction to CICS Web Enablement **CI73**: CICS Web Enablement Workshop or **CI71**: Implementing the CICS Transaction Gateway **CI19**: CICS Application Programming with Java **CI21**: Enabling Java Support in CICS Need to innovate mission critical application by restructuring code? **SW232**: Introduction to Java with WebSphere Studio V5 **WF36**: Introduction to Web Services Development with WebSphere Studio V5 **XM481**: Web Services Development using WebSphere Studio V5
	Tivoli	**TM16: IBM Tivoli Infrastructure is the prerequisite for most Tivoli training**
Storage Manager V5.2		**TM50**: Tivoli Storage Manager V5.2 Implementation and **TM52**: Tivoli Storage Manager Total Integration
Workload Scheduler V8.2		**TX25**: IBM Tivoli Workload Scheduler Administrator and **TX30**: IBM Tivoli Workload Scheduler Scheduling and Operations
Tivoli Configuration Manager		**TM17**: IBM Tivoli Configuration Manager 4.2
Tivoli License Manager		**TIV94**: IBM Tivoli License Manager
Tivoli Enterprise Console		**TM08**: IBM Tivoli Enterprise Console V3.9 and **TM28**: IBM Tivoli Enterprise Console Advanced Programming Rules V3.8
Tivoli Net-View 7		**TV04**: IBM Tivoli Net-View UNIX/AIX
Tivoli Monitoring		**TV30**: IBM Tivoli Monitoring V5.1
