What is Start Now?

- Family of the most in-demand e-business solutions for the Small and Medium-Size Businesses (SMB)
- Proven pathway to e-business success
- Fast way to acquire e-business skills
- IBM's strategic program to help us succeed in SMB market

“What makes Start Now so attractive to use is that it provides a framework where we really know what we can deliver for a specific price point, and can deliver it precisely.”

- *Trifecta Technologies*

What can Start Now do for me?

- Increase your service revenues
- Provide the e-business skills and solutions that customers are demanding now
- Bring e-business solutions to market quickly
- Reduce your risk because you do it right the first time

“The IBM Start Now program is an excellent way for us to approach the small-business customer with a complete solution that gets them up and running quickly at a price they can afford.”

—*Commerce Directions Inc.*

Why Start Now Solutions?

- SMB is a strategic focus for IBM--Start Now helps you succeed along side IBM
- Focus on solutions instead of products
- First-rate Business Partner education and skill development programs
- Experience gained from more than 20,000 deployed e-business engagements around the world
- Increases potential for long-lasting, profitable customer relationship

“Start Now is precisely the type of package we look for, and the ROI is very, very good.”

—EYT

Think e-business

- Open, standards-based, scalable, reliable, affordable, best-of-breed, power-brand products and solutions

	Year 1	Year 2	Total
Number of Sales	3	6	9
Sales Revenue US\$	210,000	420,000	630,000
Less Expenses US\$	190,850	364,700	555,550
Net Profit US\$	19,150	55,300	74,450
ROI	113%	325%	219%

Think SMB

Midmarket businesses believe:

—AMI Midmarket survey

What is the Start Now Solutions family?

- Nine solutions employing software from multiple IBM brands
- Solutions that member-level Partners can use to sell cross-brand

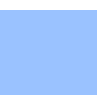

Make more money--earn more profit per employee--if you cross-sell IBM software brands

		US\$3,883 profit per employee
	US\$3,114 profit per employee	
US\$2,846 profit per employee		
1 brand	2 brands	3 brands
