

Sooner or later, you'll want to get this application

Solutions for a small planet™

working with that application.

IBM's MQSeries™ is how different systems do business. It integrates apps across over 20 platforms, from Windows NT to S/390®, without tons of connectivity code. And without the usual back-ups and breakdowns. For a preview CD and rebate news, call [1 800 627-2931](tel:18006272931), code [XXXXXXXX](#) or visit [www.software.ibm.com/mqseries](http://www.software.ibm.com/mqseries).
