# Sametime - spotkanie

The screenshot shows the Lotus Sametime Web conferencing interface. On the left, there are three panels: 'Participants - 6' showing a grid of 12 user avatars, 'Library' listing shared documents like 'Organizational\_Chart.odp' and 'Weeklymeetingnotes.odp', and 'Discussion and Minutes' showing a chat log with messages from Gail Chao and Sam Curman. The main area displays a presentation slide titled 'Internal PR Plan' by Samantha Daryn. A toolbar at the top includes a 'Stop sharing' button, a 'You are sharing' indicator, and a 'Tools' dropdown. A navigation bar above the slide shows 7 thumbnails. At the bottom, there are 'Raise Hand' and 'Record' buttons. Three yellow callout boxes provide annotations: one pointing to the participants list, one to the library, and one to the 'Record' button.

Are you presenting in the meeting tomorrow? 12:15 PM

**Mike Motler**  
I want to talk to Bill. He needs to help us finish the slides. He was going to send me some new screens.

**Mike Motler**  
I was planning on presenting. My part of the presentation is about 20 minutes. I should be able to finish on time.

**Betty Zechman**  
Great. I look forward to watching and learning more about the new product

The screenshot shows the 'Updates Page' in Lotus Connections. It features a search bar at the top with 'Search All' and a dropdown menu. Below the search bar, there are tabs for 'Top Updates', 'Notifications', 'Status Updates', 'Tags', and 'Important'. A list of updates follows, including: 'Frank Adams created a new wiki page titled Employee benefits in the wiki Renovations policies and procedures', 'Heather Reeds is busy preparing for the conference Tomorrow', 'Frank Adams created a new forum topic What ways do you cut home heating costs? in the Community Thermal Energy', 'Frank Adams created the activity Social gathering planning activity Tomorrow', 'Let's use this activity to plan the next Renovations social club outing', 'Dan Misawa is thinking this new status update feature is pretty cool! Tomorrow', 'Frank Adams created the entry What is Thermal Energy? in the blog Thermal Energy Community', 'Frank Adams added you to the activity Renovations Environmental Impact Assessment', 'Heather Reeds updated their profile photo', 'Dan Misawa and Samantha Daryn are now colleagues', 'Vijay Nehry added the bookmark Google Maps Mania', and 'Minh Li tagged your profile with uc-berkeley'. A 'Todos Calendar' is visible on the right side, showing the month of January 2009.

## Pełna personalizacja

The screenshot shows the profile page for 'Jasmine Haj'. The profile includes a profile picture, a title 'Technical Specialist', and contact information: 'Building Building 34-5, Floor: 4 West, Office: 3402, Mexico City, 6500, Mexico, Phone: (011) (5255) 5514-8101, Office e-mail: JasmineHaj@renovations.com'. There are buttons for 'Send e-mail' and 'Download vCard'. The 'Contact Information' and 'Background' sections are visible. The 'About Me' section states: 'I have 9 years of experience in product development and design. I have a bachelor's degree engineering and a master's in industrial design, and I am an active participant in the Centre for Sustainable Design and the Design Council on Product Design. In my role, I create and execute design solutions towards problems of engineering, marketing, brand development and sales.' The 'The Buzz' section shows a recent update: 'Jasmine Haj is just getting back from a vacation to Belize, Mon Dec 15 14:14:59 EST 2008'. There are also sections for 'Tags', 'Colleagues', and 'My Links'.

## Profile, Zakładki, Fora, Aktywności, Pliki, Strona domowa

The screenshot shows the 'Green Hands Community' page. It features a navigation bar with 'All Communities' and 'My Communities'. The main content area is titled 'Customize your Community Design' and offers several themes: 'Default Blue', 'Classic Red', 'Golden Coffee', and 'Emerald Green'. There is a 'Save' button and a 'Cancel' button. Below the design options, there is a 'Blog' section with a 'Add a New Entry' button. The blog entries include: 'EPA Suggestions for an Environmental Office' by Jasmine Haj (15 Dec 2008), 'What is our environmental policy' by Jasmine Haj (15 Dec 2008), and 'Welcome to the Green Hands Community' by Jasmine Haj (15 Dec 2008). A 'Tips' section on the left side of the page states: 'Community members can use the overview page to stay current with the latest updates to related discussion topics, feeds, and bookmarks.'

**IBM JOINS OPENOFFICE.ORG COMMUNITY**  
IBM joins the OpenOffice.org community to develop and promote OpenOffice.org technology.

10 September 2007 – The OpenOffice.org community today announced that IBM will be joining the community to collaborate on the development of OpenOffice.org software. IBM will be making initial code contributions that it has been developing as part of its Lotus Notes product, including accessibility enhancements, and will be making ongoing contributions to the feature richness and code quality. **What's in it for you, businesses and developers?**  
IBM® Lotus® Symphony™ has something for everyone, like a community-oriented site with tips, a template gallery and support to help you succeed. Businesses can gain more control over spiraling upgrade costs, while still protecting, accessing and maintaining documents well into the future. And for developers, Lotus Symphony tools support Microsoft® Windows® and Office applications, which means you can get even more from your current investments.

**How is Lotus Symphony different?**  
You're in charge! Lotus Symphony is based on the Open Document Format (ODF) standard-which means you're not locked into proprietary file formats, software licensing agreements and upgrades. Finally, free tools and freedom of choice!

**Can Lotus Symphony handle my existing files?**  
With Lotus Symphony, you can import, edit and save a variety of file formats including Microsoft Office files. You can even export your documents to Adobe® Portable Document Format (PDF). The tools work with computers running both Microsoft Windows and Linux- environments, with support for Apple Macintosh planned for the future.
