I **need** to optimize
my business

*Web 2.0 Portal and Social
Networking Software in Action!*

experience **IT**™

Come see how IBM's portal platform and social networking software deliver the most comprehensive integration platform in the market, accelerating your ability to optimize your business, innovate inside your company and enhance the way you reach your customers. The demonstrations at this event will show you how WebSphere Portal, Lotus Sametime, Lotus Connections and Lotus Quickr drive business innovation, enable process optimization and deliver higher levels of workgroup productivity.

EVENT DETAILS

Date:	Wednesday, August 1, 2007
