Attend Impact Comes to You (ICTY) 2012 where business and IT leaders come together to uncover new and innovative ways of harnessing powerful technologies to transform business and change the game.

At ICTY 2012, you will:

- Hear best practices from industry experts. Discover how they are driving business growth by implementing new technologies while managing rising costs, economic pressures and global change.
- Get expert education on the latest mobile, IBM PureSystems™, IBM WebSphere®, Business Process Management, Service Oriented Architecture and cloud capabilities. Meet and network with visionary business leaders.
- Learn about IBM PureSystems™. These new systems leverage built-in expertise, integration by design and a simplified experience to fundamentally change how businesses use IT as a competitive advantage.
- See how IBM mobile capabilities can help capture new market opportunities, with reduced risk and greater integrity, regardless of the device.
