Priority: Urgent  
From: Ben Richey, Platform Executive  
To: Alan Leung

Alan,

My other plants have shown great results from their improved plant processes, as shown on my dashboard. Your plant rollout needs to show results quickly to meet our increased demand!

[Ben Richey Dashboard link](#)

Please rally your team and let me know if you need my help.

Thanks,  
Ben Richey  
ManuCo Platform Executive

# Role: Transformation Team and Maintenance Manager

The screenshot displays a web-based interface for a maintenance manager. The browser window shows the URL 'Maintenance Manager | My Home - Microsoft Internet Explorer'. The page header includes the 'MANUCO' logo and the user's name, 'Jane Hart, Maintenance Manager'. A navigation bar contains links for 'My Home', 'Business Strategy Execution', 'Maximo', 'My Career and Life', and 'Our Company'. The main content area is divided into several sections:

- Email:** A list of messages from Alan Leung and Jane Hart. One message from Alan Leung discusses the Platform Executive's dashboard and the need for faster transformation.
- Article:** A snippet of an article titled 'Metrics that Matter' Study, discussing manufacturing process improvements.
- Calendar:** A 'Todays Calendar' showing events: 9:30 am Weekly Status Meeting, 11:00 am Recognition Luncheon, and 2:00 All Hands Call.
- Instant Messaging:** A contact list for Alan Leung, including supervisors and the Process Improvement Team members: Fred Price (Quality), Vince Jones (Infrastructure), Jane Hart (Maintenance), Jim Collins (Operations), and Charles O'Reilly (Scheduling).

# Role: Transformation Team and Maintenance Manager

The screenshot displays the MANUCO web application interface within a Microsoft Internet Explorer browser window. The page title is "Maintenance Manager | Business Strategy Execution - Microsoft Internet Explorer". The application header features the "MANUCO" logo and the user name "Jane Hart, Maintenance Manager". Navigation tabs include "My Home", "Business Strategy Execution", "Maximo", "My Career and Life", and "Our Company".

On the left side, there are several widgets:
 

- Company Alerts:** A yellow alert box stating "Complete your annual Benefits Plan Enrollment".
- Email:** A section showing "New Messages\*" with links to "Inbox: 25 Messages (5 new)", "Drafts: 3 saved", "Sent: 32 messages", and "Trash: 241 total".
- Plant Issues:** A list of issues including "Cost", "Quality", and "Delivery", with a red notification for "1) Open - Paint Maintenance".
- Stock Quote:** A widget showing a stock price of "\$7.22 (+0.41)" as of "3:49 EDT - June 28".
- Bookmarks:** A list of bookmarks such as "ManuCo Product Data", "Customer Information", and "Standards Technology Automotive Retail".

The main content area is titled "Paint View" and displays a dashboard for "Metric: Output %". It includes input fields for "Actual Output: 0", "Output %: 0", and "Direct Run Rate: 100". The dashboard features several green bar charts and a red bar chart labeled "Paint" with a value of "51.19", which is circled in pink. A sidebar on the left of the main view lists actions: "Stamp", "Body Weld", "Paint", "Assembly", and "Quality/DVT".

# Role: Transformation Team and Maintenance Manager

The screenshot displays the 'MANUCO' Maintenance Manager web application. The browser window title is 'Maintenance Manager | Business Strategy Execution - Microsoft Internet Explorer'. The page header features the 'MANUCO' logo and the user name 'Jane Hart, Maintenance Manager'. A navigation bar contains 'My Home', 'Business Strategy Execution', 'Maximo', 'My Career and Life', and 'Our Company'. The 'Business Strategy Execution' tab is highlighted with a pink circle. The main content area is titled 'Paint View' and shows a process flow diagram for the 'Paint' team. The diagram includes equipment units like RF-1207, PRB1325, PRB1708, PRB1709, PRB2009, PRB1839, PRB1812, and PRB1765. Two gauges show 'Direct Run Rate' and 'Output %'. Alerts include 'Gun PM ordered' and 'Alert Excessive Downtime'. The interface also features a left sidebar with 'Company Alerts', 'Email', 'Plant Issues', 'Stock Quote', and 'Bookmarks'.

# Role: Transformation Team and Maintenance Manager

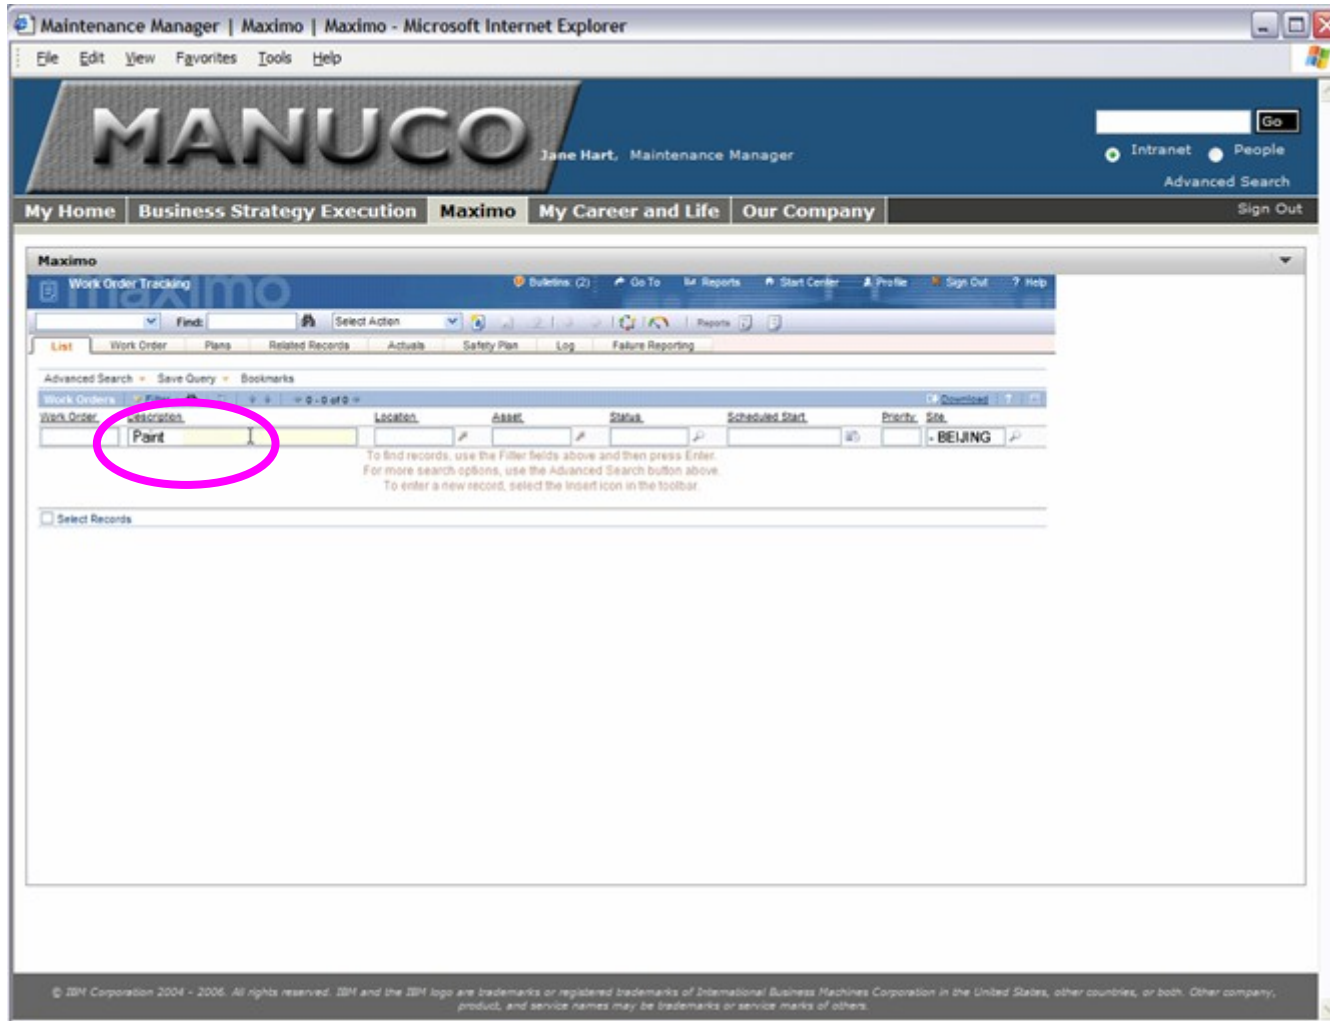

The screenshot displays the Maximo web application interface. The browser window title is "Maintenance Manager | Maximo | Maximo - Microsoft Internet Explorer". The page header features the "MANUCO" logo and the user name "Jane Hart, Maintenance Manager". Navigation tabs include "My Home", "Business Strategy Execution", "Maximo", "My Career and Life", and "Our Company". The main content area shows a "Welcome, Jane Hart" message, a "Bulletin Board (2)" with two entries, and an "Inbox / Assignments (0)" section. A pink circle highlights the "Go To" button in the top navigation bar.

The page header includes the 'MANUCO' logo and the name 'Jane Hart, Maintenance Manager'. A navigation bar contains links for 'My Home', 'Business Strategy Execution', 'Maximo', 'My Career and Life', and 'Our Company'. The main content area is titled 'Maximo Work Order Tracking' and displays a detailed form for a work order with ID 0912781006. The form includes sections for Job Details, Asset Details, Priority, Scheduling Information, and Responsibility, with various input fields and checkboxes.

# Role: Transformation Team and Maintenance Manager

The screenshot displays the MANUCO web application interface within a Microsoft Internet Explorer browser window. The page title is "Maintenance Manager | My Home - Microsoft Internet Explorer". The application header features the "MANUCO" logo and the user's name, "Jane Hart, Maintenance Manager". Navigation tabs include "My Home", "Business Strategy Execution", "Maximo", "My Career and Life", and "Our Company".

An email window is open, showing a conversation between Alan Leung and Jane Hart. The email content is as follows:

From	To	Subject	Date
Alan Leung	Jane Hart	Jane, I'm looking at our Platform Executive's dashboard, his great new way to keep better control of our new vehicle models. His other plants are improving their plant cost and quality because of their manufacturing process improvements. We've got to improve faster in our transformation.	10:28:16 PM
Jane Hart	Alan Leung	Okay, how can I help?	10:28:16 PM
Alan Leung	Jane Hart	Please present your transformation experience to our next Plant Management team meeting. Analyze the Plant and Maintenance dashboards, providing practical guidance. Single out a best practice process improvement that is in progress.	10:28:16 PM
Jane Hart	Alan Leung	Great, I'll share my experience from the other plants where I've driven maintenance transformation. Our best practice example will be improving real-time proactive maintenance to reduce rework time and cost while increasing output.	10:28:20 PM
Alan Leung	Jane Hart	Thanks!	10:28:24 PM

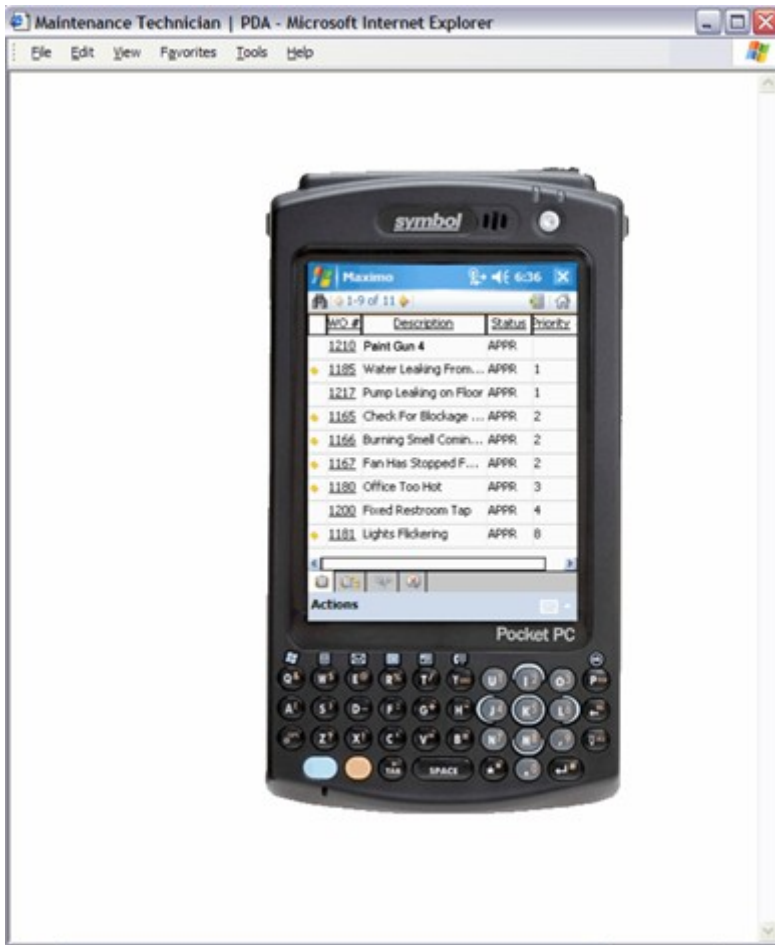

The right-hand side of the interface contains several widgets: a "Calendar" showing "Today's Calendar" with events at 9:30 am (Weekly Status Meeting), 11:00 am (Recognition Luncheon), and 2:00 (All Hands Call); "My Communities" including "Customer Intelligence" with a link to "Convertible Quality Blog"; and "Instant Messaging" showing a contact list for "Alan Leung" with sub-groups for "Supervisors" and "Process Improvement Team" (listing Fred Price, Vince Jones, Jane Hart, Jim Collins, and Charles O'Reilly).
