About Us

With **recordXpert** you can securely maintain your and your family's personal health records online.

Being a user-friendly health portal, we seek to empower you with the information you require in order to take better control of your own health and wellness. You can preserve your and your family's health records online like your prescriptions, reports etc. which can be accessed from anywhere in the world to attend to any medical emergencies.

This portal also provides health tools to help you track your health concerns. Our network of experts & healthcare specialists would enable you to quickly and efficiently find comprehensive, personal answers and support for your specific health needs.

Services

1. Patient portal
2. Doctor portal
3. Path Lab
4. Insurance

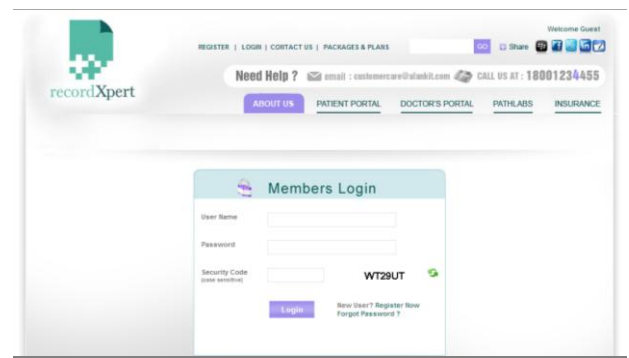

1. Patient Portal:

It provides you the storage of your & your family's records online. There is no physical storage of medical test reports or prescriptions and not required to remember / carry medical history.

You can access medical records just with a click.

Features:

- a. Upload Medical Record(s)
- b. View Medical Record(s)
- c. My Family
- d. My Doctors
- e. Doctor Visit
- f. Hospitalization
- g. Health Checkup
- h. 7 Master folders
- i. Request For document Pickup
- j. Prescription Refilling Reminder
- k. Medical Records on CD
- l. Allergies
- m. Immunizations
- n. Health Tools

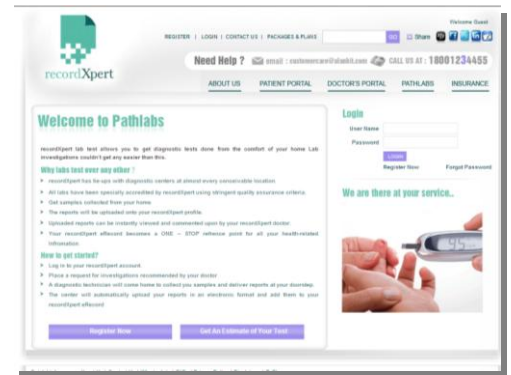

2. Doctor Portal:

At **recordXpert** you get to choose not just a doctor, but The Doctor for your particular needs. **recordXpert** helps in getting second opinion from our panel of doctors worldwide for any medical intervention you may be undergoing. All you need to do is to send the reports through email to the designated doctor directly through our website. Send them your medical history, details of your previous treatments, reports etc. and get instant response via email. Doctors provide personalized, integrative medical care with focus on prevention, known for their leadership and expertise in the diagnosis and treatment of diseases.

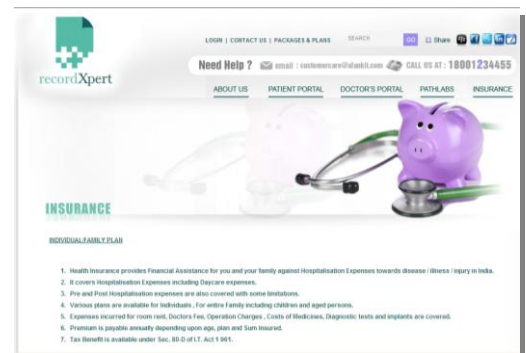

3. Path Labs:

Through our tie-ups with various path-labs across India, you and your family can get diagnostic tests done from your home through **recordXpert** at special rates. It is very easy and convenient. All you have to do is to log in to your **recordXpert** account and place a request for the desired investigation/s. A diagnostic technician will come home to collect your **samples and deliver reports**. The centre will automatically electronic format henceforth, and add them to your **recordXpert** e-record. anytime and can be shared with your designated doctor just with a click.

4. Insurance:

Get consultation from our Panel to choose your best Mediclaim Policy.

Value Added Services:

- Free health tips on your mobile
- Health Tools
