### SUMMER CLASSES.

THE undersigned respectfully announces to those who may wish to avail themselves of the summer months, for the purpose of acquiring either the Spanish or English languages, that he will open New Classes, for both objects, and each sex, on the first of June next, at the beginning of the month of July.

His method, pursued in teaching the above languages, has been highly approved of by many gentlemen in the Southern States, who have had their children under his tuition, during the cold season, by which a foreign language can be acquired, without the least fatigue to the learner, as the knowledge is imparted to him at once, and under the most pleasing circumstances.

Those who may favor him with their patronage, which they may be assured will be strictly attended to, will find his terms as reasonable as they can possibly be, for TWELVE LESSONS a month, and known specimens of either language, for all useful purposes, to the best scholar of the last class.

A class will almost every morning at Quarter-deck. Gentlemen are requested to call at their rooms at No 74 Exchange Place, from 9 in the morning until 1 P. M and from 5 in the evening until 8.
