

I am proposing the celebration of the birth and advent or coming of Immanuel "God with us" named Jesus the Christ-child, the Divine Savior of the World, the only BEGOTTEN SON of Almighty GOD; Conceived of the Holy Spirit of GOD; and born of a virgin known as Mary on the 6th day of Sivan (June) in the year 6 B.C.; in a little town called Bethlehem of Judea.

As proof of this claim, I submit to you that the Star recorded in the Holy Bible as the "Star of Bethlehem" which I declare to be the star "VEGA" will appear directly over head at 1:37:58 on the morning of the 6th of June in the year 2012.

Astronomers may verify this precession by researching RA:18h 37m: Decl: 38* 46': Alt: 82*58' Azimuth: 03*09'

At that time you should be able to see the same images that the Magi saw as they followed the star from east to west. Vega the bright star in the shape of the Christian symbol of the "fish" in the constellation of Lyre.

Pursued by the Draconian Serpent (Dragon) "Draco".

Also, the Star Altair, which the Magi originally followed to the palace of King Herod, in Jerusalem until God showed them Vega in the distance which led them to the "House where the young child was"

Matthew 2: 9. When they had heard the king, they departed; and, lo, the star, which they saw in the east, went before them, till it came and stood over where the young child was; in the year 4 B.C.

There was NO star over the stable or manger at Bethlehem when Christ was born. The only Biblical account of the Star was from the book of Matthew; which began; Matthew 2

1. Now when Jesus was born in Bethlehem of Judea in the days of Herod the king, behold, there came wise men from the east to Jerusalem,

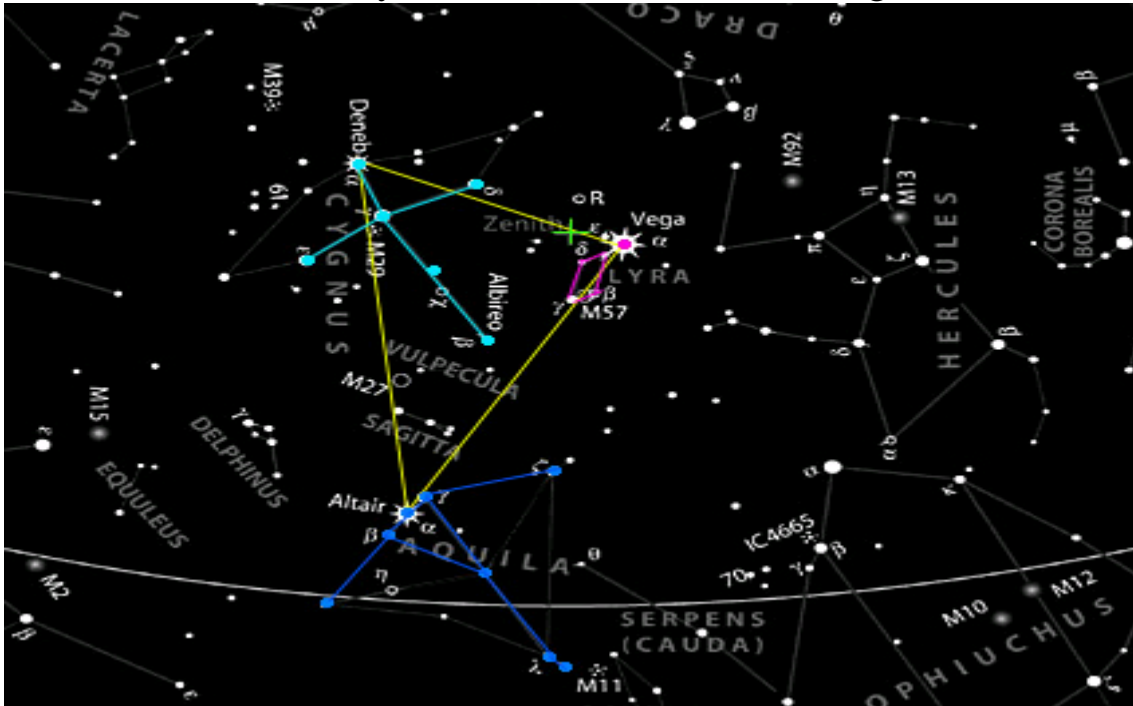

2. Saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him.

Jerusalem being no more than 8-12 miles from Bethlehem; Herod could have easily from any window seen the star and gone directly to where the infant was at birth.

For the first 3 years (3 being the number representing Perfection and the Triune Godhead) Jesus the baby Jesus was protected by the heavenly host.

7 the number of Completion (And God rest on the 7th day) Signaled the New beginning for mankind. In the year 7 B.C. in the month of Tishri, (September) Gabriel announced to the virgin Mary that she would bear the Son of God. The Wisemen (Magi) began their 18 month journey to Jerusalem. -Selah

What do you see in the Summer Triangle?

There are four (maybe 5) significant items of interest.

1. The starting points and intersections of the Magi
2. The siting of the star Altair over Jerusalem and Herod's Palace.
3. Vega over the house in Galilee or Nazareth
4. Draco (The Serpent Dragon Constellation in the background).
5. Calvary and the waiting Cross
