HYDROCHRONE, or apparatus for shower and vapor baths, for sale by the subscriber.

Many years since, at the request of many of the most distinguished physicians of New Orleans, Mr. Gicquel had formed an establishment for shower and vapor baths, by means of an apparatus he had seen in Europe, which experience has taught him to modify, the employment of which is rendered so easy, that the most stupid servant may put into operation, by means of a single cock, the various baths and their results, and has restored invalids to unexpected health who had been attacked with gout, rheumatism of various kinds, scrofulas and scorbutic affections, tetters, ulcers, &c. Shower and vapor baths are the only vapor baths may be substituted for the ordinary baths with an advantage as derived from the latter. It is consequently indispensably necessary for large families, or in extensive establishments, such as boarding houses, hospitals, &c. Mr. Gicquel being about to dispose of his apparatus, will furnish certificates from the principal physicians of this city, and the reports from various scientific bodies, appointed to give their opinions respecting this mode of bathing, so generally practised in France, Germany, Italy, &c.

Mr. Gicquel also solicits patronage in translating literary, to which he has added various works of jurisprudence.
