EXT. MOVIE THEATRE - NIGHT

GEORGE LIU, early sixties, holding the hand of his grandson, DAVID ALEXANDER LIU, seven, are walking out of a movie theatre after watching the movie "Star Wars". As they turn to walk back towards their home, David stops and turns to look at the large movie poster of the "Star Wars" movie.

DAVID
(contemplative)
Hum....Hey grandpa, I was thinking... That was a great movie... but I don't understand one thing...

David puts his finger to his lower lip.

GEORGE
Hum, and what's that?

DAVID
I don't understand how anyone can be 'seduced by the dark side'.

The pair resume their leisurely walk on the route back home.

GEORGE
Humm...

George tilts his head up and to the side, frowning his brow in thought. He then snaps his available hand and turns back to David.

GEORGE (CONT'D)
Well Dav, let's think about it this way...What computer do you use at home?

DAVID
(Grinning)
A Macintosh!

GEORGE
But...what does your dad use at work?

DAVID
Hum...

David considers this for a few moments. He then stops and smiles in amazement.

DAVID (CONT'D)

Haha!

(Gestures with his hands
in the same way Emperor
Palpatine does when
attacking Luke
Skywalker with
lightning, then in a
sinister voice)

Seduced by the Dark Side!

GEORGE

Ahhh...

George smiles knowingly at David

GEORGE (CONT'D)

Exactly, You got it sport.

David raises head with pride and the two continue walking
slowly home together.
